**** All Competitors must purchase admission tickets into the ballroom for the event in which they are competing. Please purchase your admission tickets in advance, at the same time you register for your events. We cannot guarantee that tickets will be available at the door. In order to sit together, you must order tickets at the same time. Payment for all admission tickets must be made at the time they are ordered. Tickets will not be held without payment.**

**** Junior tickets are available for DAYTIME events only. Junior tickets can be purchased for either children competing in a junior division, or for children spectating through the age of 10.**

**** Due to very strictly enforced Chicago Fire Code and Hotel Safety Regulations, we can not accommodate Standing Room Only Ticket requests. Please keep this in mind, and order your tickets in advance. We have sold out our evening events in the past and do not want to disappoint anyone at the door.**
